### **About Steps Ordered Ministerial Network (SON)**

Envisioned by Apostle Stine McDonald from the inception of Steps Ordered by God Christian Churches and Outreach Ministries in early 2011, this Network exists to bring a level of credence and support to those whom the Lord deems qualified and with whom we have covenant, by endowing them with a Ministerial License and/or Ordination Credentials. This ministry looks to empower, and/or equip, and/or cover and/or support (which ever the need) those who require the public acknowledgement/license for the express purpose of furthering their respective callings, and thereby helping to move their respective visions forward.

The SON is God-Breathed and Protocol-Based and because we believe in the Planting of the Lord, the SON does not seek to operate within the ministerial constraints of any candidate's Pastor or other Ministerial Overseer. We therefore require the agreement and support of any such person in the candidate's life, which identifies the SON as a "supporting ligament" in the Body of Christ.

No monetary exchange is required nor is there any expectation that the candidate serve Steps Church. The SON further believes the Body is One and as a mandate of our Vision Statement we aim to further serve the Lord Jesus Christ in this regard according to Ephesians 4:16.

***"From him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work." Eph 4:16 (NIV).***
